This Agreement is made between **Water Installations** and **the property owner** commencing on the commissioning date. This date is listed after install, on both the Installation and Commissioning Certificates.

**Water Installations** agrees to provide servicing of the Graf Klaro Epro15 System installed system at the above listed address, as per the manufacturer’s instructions and owner’s manual requirements and confirms they are a current certified Graf Klaro Service Agent.

The above Customer agrees to allow **Water Installations** suitable access to the aforesaid System at all reasonable times as **Water Installations** may deem necessary to carry out such service and maintenance.

The above Customer also agrees to pay to **Water Installations** any extra service or maintenance charges that may arise from general equipment failure or from the Graf Klaro System not being operated in accordance with the manufacturer’s operating Instructions or owner’s manual. Consumables, if required, are at extra cost.

**Signature of Customer** \_\_\_\_\_ **Date** \_\_\_\_\_

**Water Installations** hereby undertakes to service, maintain and perform the necessary tests for the aforementioned Treatment Plant for the duration of its operation and to send all relevant information to the Local Authority.

**Service Agent** \_\_\_\_\_ **Date** \_\_\_\_\_  
Water Installations Pty Ltd

\* It is a requirement by Local Government that a system owner has a valid Maintenance Agreement with a licenced service agent.

**This service plan includes:**  
**4 scheduled services per year from the commissioning date of the system (every three months).**
